

actuallyse.com Member's FAQ

1. What are the benefits of being a member of actuallyse.com?

As members, you will:

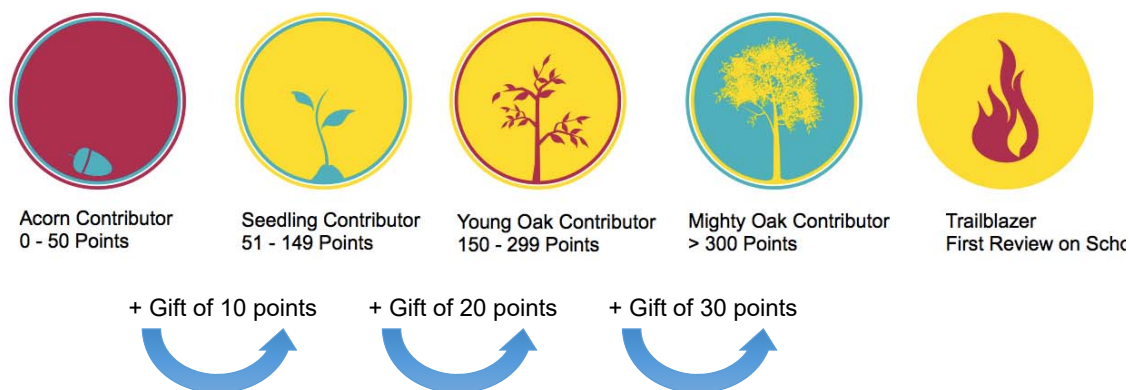

- Have **FULL access** to all the fees, e-brochures and contact information of schools and learning service providers on 14 directories. You will also enjoy members-only shortlisting and school call back functions that will facilitate your search of schools.
- Have **FULL access** to the rich content of the website, including exclusive Insight Papers written by educators on education concepts & trends.
- Participate in our forum where you can engage with fellow users or post questions to experts invited for the month, and receive answers to your queries.
- Have access to the Multiple Intelligences Quiz on our website to gain insight into your natural talents (and your children's) so that you can find the best-fit classes on actuallyse.com.
- Enjoy priority and special rates for all seminars and events organized by actuallyse.com.
- Earn member reward points and attain membership badges when you review the schools, comment on our articles, share your Multiple Intelligence Quiz results and many more.
- Enjoy special deals and promotions for the membership badge that you hold.
- Receive newsletters on the latest education news, events and updates that are carefully curated by our editorial team.

2. Is there a reward and recognition system in place for members' contributions? How does it work?

Yes! We have a Member Rewards Programme to thank members for participating actively on actuallyse.com.

Our recognition system takes inspiration from the idiom 'Mighty oaks from tiny acorns grow'. For every small step that you take to comment in articles, post forum question and give school review, you are making a BIG difference in helping parents and learners make an informed decision in their schools search.

CONTRIBUTORSHIP BADGES OF HONOUR

With every membership badge promotion, you will receive additional bonus points from us!

3. How can members earn points?

Action by Member	Number of points
